OF LANDSCAPE ARCHITECTS

IFLA Pavilion @ Bahrain International Garden Show

25th February – 2nd March 2015

**Bahrain International Convention &
Exhibition Center**

Through the various topics and themes highlighted at the Bahrain International Garden Show over the years, the Show has become a platform for experts and enthusiasts to further develop their expertise and knowledge with the latest best practices in the industry. It is also an opportunity for potential investors to seek profitable agricultural investment opportunities.

The Bahrain International Garden Show will showcase a variety of capacity building programs aimed at experts, enthusiasts, school students, graduates and it will be an opportunity to exchange knowledge on the best programs and practices to build landscape and agricultural expertise.

Why join BIGS 2015?

- Bahrain International Garden Show is firmly established as a leading gardening & landscape show in the Arabian Gulf which is well attended by VIPS, landscape architects, architects, consultants, developers, and other industry professionals.
- A great platform to introduce the very latest in garden and landscaping technology, trends and equipment.
 - A venue for exhibitors to showcase their unique products and services.
 - An excellent means for establishing new partners and contacts, creating networks and selling and exchanging expertise.
 - A unique opportunity for local and global exchange.

Why join IFLA Pavilion and Business Mission?

A Invitation

The Bahrain International Garden Show takes this opportunity to invite all relevant agricultural organizations and companies to participate and promote their products and services to a wide local and regional client base of different levels of expertise and interests.

B Show Theme

With the modern advancements achieved in technology, the growth in the economy and urban development, it has become essential to improve agricultural skills to match the pace of advancement in a way that will ensure the future and sustainability of the agricultural sector. Training programs, education qualifications and capacity building are the means to develop existing expertise and to train a new generation of experts and technicians in the field of agricultural production.

The Bahrain International Garden Show will showcase a variety of capacity building programs aimed at experts, enthusiasts, school students, graduates and it will be an opportunity to exchange knowledge on the best programs and practices to build agricultural expertise.

BAHRAIN - BACKGROUND

Country: Bahrain, officially the **Kingdom of Bahrain**, island country situated near the western shores of the Persian Gulf. On 15 August 1971, Bahrain declared independence. On 14 February 2002, Bahrain changed its formal name from the State (*dawla*) of Bahrain to the Kingdom of Bahrain.

Capital: Manama

Area: total 780 km². (The largest land mass, at 55 km long by 18 km wide.)

Population: The population in 2010 stood at 1,234,571, including 666,172 non-nationals.

Climate: The seas around Bahrain are very shallow, heating up quickly in the summer to produce high humidity, especially at night. Summer temperatures may reach up to 50 °C under the right conditions. Rainfall in Bahrain is minimal and irregular. Rainfalls mostly occur in winter, with a recorded maximum of 71.8 mm.

Economy: Bahrain has the first post-oil economy in the Persian Gulf. Bahrain has heavily invested in the banking and tourism sectors. (According to a January 2006 report by the United Nations Economic and Social Commission for Western Asia, Bahrain has the fastest growing economy in the Arab world. Bahrain also has the freest economy in the Middle East and is twelfth freest overall in the world based on the 2011 Index of Economic Freedom published by the Heritage Foundation/*Wall Street Journal*.)

Politics: Bahrain under the Al-Khalifa regime claims to be a constitutional monarchy headed by the King, Shaikh Hamad bin Isa Al Khalifa

MASTERPLAN

An Island of Bliss in the heart of the City

Embrace life the way it should be lived

Project Overview

Introduction to Reef

An Island of Bliss in the Heart of the City

Located on Manama's northern shore, and minutes away from the new Bahrain Financial Harbour, Reef Island is ideally situated in the heart of Manama, the Gulf's, and one of the world's, fastest growing financial centres. Reef Island offers its residents, and guests, all the convenience of easy access to a bustling cosmopolitan city complimented with the tranquility of a tropical island getaway. Conceived to be Bahrain's benchmark of luxury living, serenity and relaxation, Reef Island presents its discerning clientele with an exclusive living experience, on a purpose-built atoll and the kind of state-of-the-art amenities that they've come to expect. Embrace the tranquil splendour that is Reef Island and embrace life the way it should be lived.
