

Invitation

To Landscape architecture symposium on 15-16 October, Vilnius, Lithuania

Introduction

Landscape architects of Lithuania have two important anniversaries in 2015 which invited to get together in the Landscape architecture symposium. These anniversaries are the twentieth jubilee of the Lithuanian Association of Landscape Architects (LALA) and the 175th anniversary of the birth of the famous French landscape architect Edouard André (1840-1911), who worked and created parks in Lithuania and in the neighbouring countries.

Conference languages

The official conference languages are Lithuanian. Presentations and articles in English, French, and Polish will be welcomed. The Summary of articles (up to 250 words) – will be mandatory English language.

Structure

Two thematic sessions of the conference and study trip to historic park (planned Traku Voke near Vilnius or Bernardinu Garden in Old Town of Vilnius City).

Target audience

People working in research and practice in the fields of landscape architecture, architecture, and urbanism. We invite local area management, public sector administration and the academic community.

Themes

- Interaction of landscape architecture, urbanism and architecture
- Issues of urban public spaces management

- Management of historic parks and cultural heritage
- Recreation and leisure industry area (regions) – after being away from the sea
- Rural landscapes
- Profession education in landscape architecture – academic education and continuous professional training aspects
- Edouard André parks' style tradition analysis
